

Plaid Quickstart

Congrats! By linking an account, you have created an Item.

item_id	8N6RoEKVqrHrxR77nXxaTqqBL6oGDvfwrezpB
access_token	access-sandbox-e1acabd2-2ef7-4569-b3ac-1d71991833a2

Now that you have an access_token, you can make all of the following requests:

Products		
POST	Auth /auth/get/ Retrieve account and routing numbers for checking and savings accounts.	Send request
POST	Transactions /transactions/sync/ Retrieve transactions or incremental updates for credit and depository accounts.	Send request
POST	Balance /accounts/balance/get/ Check balances in real time to prevent non-sufficient funds fees.	Send request

Item Management		
POST	/item/get/ Retrieve information about an Item, like the institution, billed products, available products, and webhook information.	Send request
POST	/accounts/get Retrieve high-level information about all accounts associated with an item.	Send request
